On January 21, 1956, Mr. FRANK LYONS, Investigator, Immigration and Naturalization Service, (INS) New York City, advised SA WILLIAM E. NUMMEY that NICOLAE MALAXA had filed an appeal on or about December 23, 1955 after he had been found inadmissible for residence in the United States. This appeal was filed with the Board of Immigration Appeals, Washington, D.C., and was based upon the exclusion and deportation order of December 17, 1957, pertaining to him. Mr. LYONS said that this matter had not yet been calendared but that MALAXA had indicated to IES that he desired to present oral argument when the matter is heard by the Board of Immigration Appeals.

On January 21, 1958, Mr. VINCENT SCHIANO, Investigator, INS, New York City, advised SA WILLIAM E. NUMMEY that he was being called to Washington, D.C. the following week to assist in the preparation of the case against NICOLAE MALAXA.

On March 12, 1958, Mr. SCHIANO advised SA WILLIAM E. NUMMEY that the Board of Immigration Appeals, sitting at Washington, D.C., had calendared the appeal hearing of MALAXA for about February 7, 1958. SCHIANO said he was not present at Washington, D.C. at the scheduled time of this appeal hearing and does not know the outcome.

Mr. SCHIANO advised that the Brief which he submitted to the INS Central Office, Washington, D.C., for use at the hearing may have undergone some changes at Washington, D.C. before it was submitted to the Hearing Officer. He said he is not aware of what changes were made in the Brief and does not have a copy of it at New York City. He said that he is aware that the Appellant Brief was submitted, and arguments presented, but no information has been received from the Central Office, INS, regarding developments or outcome of the hearing. He stated this information should be available at Washington, D.C.
